## PERSONAL PROFILE

---

**John C. Brock, M.D., F.A.C.S.**

## PROFESSIONAL BACKGROUND

---

January 2008- Present

### The Mahr Company

Senior Managing Director Medical Business Development, specializing in:

- Advisory and Consulting
- Sourcing Medical Real Estate Opportunities
- Acquisitions/Dispositions
- Lease With Equity
- Generation of Medical Business Opportunities for TMC Team to implement
- Build To Suit
- Leasing/Marketing
- Special Projects and Relations to and for Medical Professions and Medical Services

2003 - Present

### Tampa General Hospital

Primary teaching hospital for University of South Florida (USF) College of Medicine. Serve 12-county region with a population in excess of 4 million, in West Central Florida. Ranked among the nation's top 100 research universities, USF and TGH are committed to developing advance in medicine through clinical practice and research.

- **Chief of Cardiothoracic Surgery Department (2004-Present)**  
Oversee 28 cardiovascular surgeons. Review new applicants and evaluate performance of surgeons for credentialing. Analyze mortality and performance reports. Accountable for cost containment and identifying capital spending needs.
- **Medical Executive Committee (2003-Present)**  
One of 15 medical professionals elected by medical staff to serve 2-year term; re-elected for second term. Attend monthly meetings to review discipline, financial and medical issues. Establish hospital policy, participate in major financial decisions, review staff issues, coordinate lobbying efforts and secure bonds for facility expansion.
- **Physician Advisor (2003-Present)**  
Oversee ongoing patient care and evaluate patients for discharge. Interact with administrative and medical staff on safety and cost containment. Plan in-patient protocols in compliance with Medicare and Medicaid guidelines. Discuss medical procedures, treatments and follow-up care with patients and family members. Participated in numerous JCAHO reviews.
- **Director of Cardiac Surgery Unit (2003-Present)**  
Direct 38-bed post-operative CCU unit. Interact with 28-30 physicians as well as residents, interns and nursing staff. Accountable for regulatory compliance, trauma cases, protocols, problem resolution and providing equipment education.

*Commercial Real Estate Services Since 1979*

## PRESENTATIONS

National Teach-In Nov. 1991 - Present  
Single Soliday Pulmonary Nodule March 2005  
Changes in the Therapy of Cardiovascular Disease Feb. 2005  
Disease of the Thoracic Aorta May 2004  
USF Medical Grand Rounds, Tampa, General Hospital, Tampa, FL  
Bypass Conduits April 2003  
Cardiology Grand Rounds, Tampa General Hospital, Tampa, FL  
What's Right With Tampa Bay Nov. 2003  
Endoluminal Stenting 2003  
Arizona Heart, Phoenix, AZ  
Wellness Lectures 1992 - 1994  
NASA  
Thoro Training 1992  
Cincinnati, OH  
Conference: The Future of Valve Implantation - Homograft and Autograft Nov. 4-5, 1991  
St. Joseph's Heart Institute, Tampa, FL  
Specialty Review in Thoracic Surgery Jan. 8, 1990  
Chicago, IL  
Cardiovascular Seminar Jan. 24, 1990  
Blake Hospital, Bradenton, FL  
Scientific Session Feb. 2, 1990  
The Florida Society of Thoracic and Cardiovascular Surgeons, Longboat Key, FL  
Live teleconference, The Mitral Valve - A Workshop on Reconstructive Techniques  
March 22-24, 1990  
Cardiac Patient - Intraoperative Aspects June 2, 1990  
St. Joseph's Heart Institute, Tampa, FL  
Laser Symposium Jan. 22-24, 1989  
Current and Future Cardiovascular Application, Houston, TX  
Cardiac Pacing and Electrophysiology Conference, Innisbrook, FL Oct. 28, 1989  
West Coast Academy of Cardiology, Tampa, FL Oct. 11, 1989

## RESEARCH

Cell Biology - Bacterial Cell Walls, University of Florida  
Injured Colon - Annals of Surgery, June 1988  
Abstract - Injured Rectum  
Residual Heparin in Cell Saver Blood, 1985  
Extra-Anatomic Bypass - A 27-Year Experience, DeBakey Society, 1985
